These are FINAL total point standings and include the 20% throw out.  
We had 17 boats sail this season.

Kulp, Kallay, Rehm, Ayrault, Clemett, Carlson, Sharp, Hillberg, Richards and Stowe all qualified with 20 or more races.

For our last race night, 8/28, we will be having a pot luck dinner followed by the BARF awards ceremony.

Sailing on the 28th does not count towards scoring. So have a little fun by swapping boats & crew, if you have any energy remaining after Nationals.
